Dreambaby® F1034 Auto-Sensor Night Light
(Model number A106 is moulded into the plastic face)

As a precautionary measure Tee Zed Products Ltd is requesting customers who have purchased either of these products to cease use immediately and remove from the mains electricity socket. We have been made aware of a safety related design fault which in certain circumstances has the potential for the user to receive an electric shock when removing the Night Light from a power socket.

No other Dreambaby® products are affected by this notice.
